This meet has grown to be the biggest non-sanctioned push pull meet in the state. We have averaged 90+ lifters 7 consecutive years, with the 2015 event being the biggest to date with 113 lifters. As those who have competed in our events will tell you, it is a well run, high intensity, lifter friendly atmosphere perfect for everyone from the beginner to the World Champion lifter. We also strongly encourage family and fan involvement and support so please bring your families along. It has also been reported that Santa Claus will be making an appearance at the event with toys for every child in attendance. Refreshments will be available for purchase as well for a very reasonable price. Please pass the word to anyone you feel may be interested. Our goal is to put on the greatest meet you have ever competed in. You will be competing on stage, under the lights, in front of an auditorium full of fans complete with a chest pounding DJ. Every lifter will also receive an ICG T-Shirt. We put everything we can back into the meet to give you the ultimate powerlifting experience. We sincerely appreciate your support of The Iron Chamber Gym and our event and look forward to having you join our family. See you all in December.
